2023 Season Angel Fund Application

To provide opportunity for expression of the visual performing arts through competition, encouragement of leadership skills, and educational advancement.

Consistent with the North Star Circuit's Mission Statement, above, the Board of Directors and the General Membership have formally created the Angel Fund to assist units facing economic hardship. The Angel Fund is funded by a portion of the annual Unit Dues collected from each member unit.

The purpose of this fund is to provide financial relief toward the cost of NSC dues for the season in which this application is submitted. Other circuit fees such as show hosting fees are not eligible or included. Angel Fund recipients are not eligible to apply for Angel Funds for three consecutive seasons after an award is given.
